Climb the mountains and get their
good tidings. Nature's peace will flow
into you as sunshine flows into trees.

The winds will blow their own
freshness into you, and the storms their
energy, while cares will drop away from
you like the leaves of Autumn.

– John Muir.

Those who are committed to defending human dignity can find in the Christian faith the deepest reasons for this commitment. How wonderful is the certainty that each human life is no adrift in the midst of hopeless chaos, in a world ruled by pure chance or endlessly recurring cycles! The Creator can say to each one of us: "Before I formed you in the womb, I knew you." (Jer 1:5). We were conceived in the heart of God, and for this reason 'each of us is the result of a thought of God. Each of us is willed, each of us is loved, each of us is necessary. – Pope Francis.
