*Nature is the ultimate healing force.
Spend time in the great outdoors.
Exposing ourselves to the calming
wholeness of nature's gifts will bring
relaxation, inner peace, wellbeing and a
sense of belonging. Nature relaxes.
Nature reassures. Nature replenishes.
Nature restores. Nature reliably renews.
Nature never quits.*

OCTOBER SAFEGUARDING MONTH

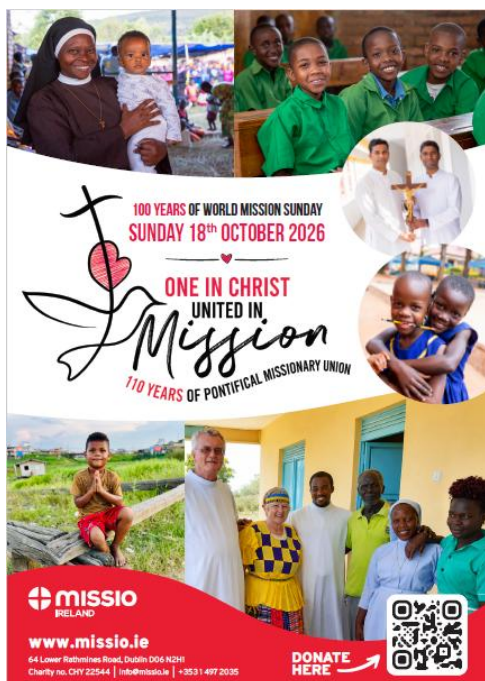

Creating a Safe and Welcoming Parish for Everyone.

Safe guarding is an essential part of parish life. As a parish community within the Archdiocese of Cashel & Emly, we are committed to creating an environment where everyone, especially children and young people, feel welcomed, respected, valued and safe.

Creating a Safe Parish

A safe parish is one where children and young people are cherished, listened to and protected. Our safeguarding policies, training and procedures help us to provide safe environments for everyone involved in parish activities. We are grateful to our Parish Safeguarding Representatives, clergy, staff and volunteers for their continued commitment to this important work.
