OCTOBER
SAFEGUARDING MONTH

Creating a Safe and Welcoming Parish for Everyone.

Safe guarding is an essential part of parish life. As a parish community within the Archdiocese of Cashel & Emly, we are committed to creating an environment where everyone, especially children and young people, feel welcomed, respected, valued and safe.

Speaking Up

Being attentive to the wellbeing and safety of children and young people is an important part of safeguarding. If you have a concern about the safety or welfare of a child or vulnerable person, please ensure that you know who to speak to and how to report your concern. Our Parish Safeguarding Representatives can provide information and guidance on safeguarding procedures.

SAVE THE DATE – MyFaith.ie Information Evening on Tuesday 10th November at 7pm in Holycross. A representative from the Diocese of Ossory will introduce the MyFaith programme and explain how it can support parishes in accompanying families as their children prepare for the Sacraments. MyFaith.ie website: <https://myfaith.ie/>. MyFaith is a parish-based programme that combines online and in-person preparation for the Sacraments of Reconciliation, First Holy Communion, and Confirmation. It supports children and their parents or guardians as they journey together towards celebrating the Sacraments, within their families and with the support of their parish community. While MyFaith is a parish-based programme, awareness and collaboration among parishes, families and schools would provide the strongest support for the children preparing for the Sacraments. Youth Co-Ordinator is Fiona Kelly.

SAVE THE DATE – Templemore Active Retirement Art Exhibition in Templemore Library on Thursday 29th October at 6.30p.m.

Giving and Receiving

What we give out determines what we get back because as we sow so do we reap. If we sow seeds of judgement what right have we to expect a positive response! It also reflects the truth that what we most need for ourselves is what we most need to first give to others.

- If friendship is what I need then how can I learn to befriend?
- If acceptance and non-judgement is required, is that what I give?
- If I want others to reach out to me then must I not first reach out?
- If understanding or tolerance is needed is that what I must practice?
- If peace is needed then must I be a peace maker and not just a peace keeper?
- If forgiveness is sought, must I not learn the art of forgiveness?

Give and it will be given onto you.
